begins to scream in anticipation. The He retreated a step. "No," he said. "Crisscross, cross, and double cross!" cried the grey man triumphantly as once more Amos and Jack were led to the brig. . . . The first time: "Such a goddamned adolescent, Rob." It was two, maybe three months ago in Memphis, in a studio just before rehearsal. Jain had been. The answer is that though all the genes are there in every cell of your body, they aren't all working alike. The cell is an intricate assemblage of chemical reactions, chemical building blocks, chemical products, and physical structures, all of which influence one another. Some genes are inhibited and some are stimulated, in a variety of ways depending on subtle factors, with the result that different cells in your body have genetic equipment in which only characteristic parts are working at characteristic rates. . . . She was blunt about what she thought and not at all hesitant about disagreeing with me. Still, confusion exists among the populace as to the true nature of the Project's purpose, and. His first elation fizzled out and he was left with his usual flattened sense of personal inconsequence. Tucking the license into his ID folder, he felt like a complete charlatan, a nobody pretending to be a somebody. If he'd scored in the first percentile, he'd have been issued this license the same as if he'd scored in the tenth. And he knew with a priori certainty that he hadn't done that well. The most he'd hoped for was another seven points, just enough to top him over the edge, into the sixth percentile. Instead he'd had dumb luck. Using an assumed name and a post office box number which was not his, Smith wrote to a. answers when his chair reared up, god bless it, and bore him off toward . . . Would it be the couple. "Only that isn't above us," said Jack. "It's below." "Smart thinking," said Venerate. "Now how do I get this game HBrted?" CLAUSE'S Tales White From the Hart. 141. could scrounge. It would be useful later for heating, and for recharging batteries. They managed to convert plastic packing crates into fuel containers by lining them with sheets of the double-walled material the whirligigs used to heat water. They were nervous at this vandalism, but had no other choice. They kept looking nervously at the graveyard as they ripped up meter-square sheets of it. . . . have them messing things up outside. . . . compromising or ludicrous activities were widely distributed in the press. . . . stupid." She reached over and plucked at the hair on my chest. "I haven't had an indecent proposition in. . . and opened his eyes sleepily. After a while he sat up. . . . So Amos took off the prince's clothes and the sailor took them to the brig and returned with Amos' rags. When he had dressed and was about to go with the grey man to lunch, his sleeve brushed the grey man's arm. The grey man stopped and frowned so deeply his face became almost black. "These clothes are wet and the ones you wore were dry." . . . on their honeymoon. He played them on the TV, one after the other, all through the night, waring. have destroyed me. However, when you made your attack, I was safely docked at a base star and thus. 126. The inner lock door was pulled open, and there was McKillian, squinting into the bare bulb that lighted the lock while she held her shirt in front of her with one hand. . . . "Andrew Detweiler." She looked blank. "Young, good-looking, with a hunchback." "A temp." . . . with a hat of paper feathers and polyhedrons. The band of the hat said, "I'm a Partyland Smarty-pants." . . . to bed. Just before he fell asleep, he thought: I could call them and tell them what I thought. . . . "Cars are freedom. And so what all this talk about an energy crisis boils down to is?" He stopped. rolled him over on his stomach, and tied his hands behind him. One picked him up by the shoulders and. . . must guard against. . . . Several people at the back stood up and started clapping. The applause spread and turned into a standing ovation. Congreve grinned unabashedly to acknowledge the enthusiasm, stood for a while as the applause continued, and then grasped the sides of the podium again. . . . Thank you, Barry. I know you mean that, and I'm flattered Well, then?" He took his pipe from his. An organ replacement would be grown and since it would have precisely the same genetic equipment. That night Amos again went to the brig. No one had missed the jailor yet So there was no guard at. same room, dressed in the same dress, and drinking (it seemed uncanny) another can of beer (though not. practice and no more." I sighed. "You seem to have all the best of it." "I notice her condition when she walked to the boat" Moises shrugged, but even before the words. I've got to admit, though, that before I yelled my nay I had a bad moment. I'm still not sure I did right. Suppose the Company Representative was telling the truth and the Project really is for the benefit of common people like ourselves? If that's so, then we aren't acting in our own best interests at all; we're just pulling the rug out from under our own feet. . . . And when it is grown. "There are times," said Amos, "when it is better to know only the reward and not the dangers." . . . Bingo! . . . though a temblor shakes the Front Range. . . . McKillian had had enough. "Matt, what the hell are you talking about? Rescue mission? Damn it, you know as well as I that if they find us here, we'll be long dead. We'll probably be dead hi another year." . . . smug. She tossed her suitcase in the back seat and slid up against me. She smelled like sunshine. . . . to see how well I had learned my lessons, asked me three questions. I answered all three, and these. "Pipe down in there," said the jailor. "I'm trying to sleep." And he spread out his piece of grey canvas. They reached what must have been the center of the maze and found the people everyone had given up on. Eighteen of them. The children became very quiet and stared solemnly at the new arrivals, while the other four adults. . . . "Whew!" Ike said. . . . spinning into colorful blurs in the stiff Martian breeze. Crawford thought of an industrial park built by. "No!" Her vehemence startled me. She quickly lowered her voice and went on: "My friends call me Amanda." "No. But I've heard of it happening." I had seen enough, more than enough- I opened the door and stepped out of the closet. Crawford followed Lang back toward the Podkayne. . . . allowed it. . . . Sitting on the floor huddled in a blanket was Martin Ralston, the chemist His shirt was bloody, and. . . . and I guess if you kept changing the batteries it would run forever. And it's nearly polystyrene, that's what you said." "You must prove yourself worthy," said Lea. . . . The Issue at Hand. They're too perfectly adapted, too ingenious to have just sprung up hi response to the environment" Her eyes seemed to. "I had rather hoped we might have avoided that," said Lea, as she came over to untie Jack and Amos. "But there is nothing we can do now. I can never thank you enough for gathering the mirror and releasing me." "Se/eene, love," he said. "What a delightful surprise." I'm not used to this much open space; it scares me a little, though I'm not going to admit that to Jain. We're above timberline, and the mountainside is too stark for my taste. I suddenly miss the rounded, wooded hills of Pennsylvania. Jain surveys the rocky fields rubbed raw by wind and snow, and I have a quick feeling she's scared too. "Something wrong?". 180 Lee Killough. Samuel R. (Chip) Delany has for some time been one of sfs most interesting novelists (Dhalgren, Triton, et cetera) and one of the field's more thoughtful critics (The Jewel-Hinged Jaw: Notes of the Language of Science Fiction). He has not written much short fiction recently, and so we are especially pleased to offer this fresh and magical change of pace. . . . frogs croaked at them, and one or two bubbles broke the surface. Together Amos and Jack looked into. Korda's 1940 Thief doubles that in spades (the giant flying

genie is just one of many), plus it has. Once more she vanished while he slept, and he hadn't seen her all day. But at times he'd been conscious of her secret stare, a coldness falling upon him like an unglimped shadow, and Jde'd known that tonight she'd come again.. "That's right," said Jack. "And nearer than you think is a great, grey, dull, tangled, boggy, and baleful swamp. The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about. The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache."..all, however, were the swarms of golden gnats that bused about him. He would beat at them with the sympathetic, mature smile..She smiled at them and said, "I am glad you have come for the second piece of the mirror, but it is..**I see him; he's in the brook, going upstream.**.Sure enough, Amanda called shortly before noon and asked if I had time to help her today.
