But when Otter could do so, then it was not so much as if she was with him, as that she was him, or that he was her. He saw through her eyes. Her voice spoke in his mind, stronger and clearer than Gelluk's voice and spells. Through her eyes and mind he could see, and think. And he began to see that the wizard, completely certain of possessing him body and soul, was careless of the spells that bound Otter to his will. A bond is a connection. He-or Anieb within him-could follow the links of Gelluk's spells back into Gelluk's own mind."Now the King is in my body, the noble guest of my house. The excited turmoil of his mind all the time he had been with Gelluk slowly quieted. From it something rose, coming close, coming clear, the image he had seen down in the mine, shadowy yet distinct: the slave in the high vault of the tower, that woman with empty breasts and festered eyes, who spat the spittle that ran from her poisoned mouth, and wiped her mouth, and stood waiting to die. She had looked at him..could not rouse him. "He is dead," he said. "The breath will not leave him, but he is dead." So we."I have to have a single heart. She saw a burly, dark-skinned man and two boys come out and weed one of the vegetable plots. It eased her mind to watch their careful work. She wished she could help them at it. The waiting and the strangeness were very difficult. Once the Doorkeeper came in, bringing her a plate with cold meat and bread and scallions, and she ate because he told her to eat, but chewing and swallowing were hard work.
