She bounded away down the sand. As though that were not release enough, she flung herself into a succession of cartwheels and forward flips. She went around a curve of the beach and out of sight, still cartwheeling. By the time I reached the curve, she had disappeared.."No! There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it.."Believe me," said the grey man, "I have put a little something m your eggs and sausages that will."He was here with us all evening.
