The machine shops and other facilities available for public use were located on the near side of the main production and manufacturing areas, and Jay led the way past administrative offices and along galleries through noisy surroundings that smelled of oil and hot

metal to a set of large, steel double-doors. A smaller side door brought them to a check in counter topped by a glass partition behind which the attendant and a watchman were playing cribbage across a scratched and battered metal desk. The attendant stood and shuffled over when Jay and Pernak appeared, and Jay presented a school pass which entitled him to free use of the facilities. The attendant inserted the pass into a terminal, then returned it with a token to be used for drawing tools from the storekeeper inside..Alec Baldwin to New Orleans and blow him away herself." Tough talk and wisecracks.Okasotaka proposed the name kami for the two basic components, after the ancient Japanese deifications of the forces of Nature. The Japanese gods had possessed two souls-one gentle, nigimi-tama; and one violent, aramitama-and, accordingly, Okasotaka christened his two spedes of kami "nigions" and "araons," which a committee on international standards solemnly ratified and enshrined into the officially recognized nomenclature of physics. Schriber found a memory aid to the various triplet combinations by humming things like "dee-dum-dum" to himself for the "up" quark, "dum-dee-dee" for the "down" antiquark, and "dum-dum-dum" for the positron, and therefore called them "dums" and "dees," upon which his students promptly coined "tweedle" for the general term, and much to the chagrin of the custodians of scientific dignity these versions came to be adopted through common usage by the rest of the world's scientific community, who soon tired of reciting "nigini-nigini-ara" and the like to each other. The scientists were less receptive to Schriber's claim that Quandum Mechanics had at last been unified with Relatividee..sledgehammer at a headlight..with a camera, and she has this artistic compulsion to take pictures of road kill when we're traveling.
