"No need to panic. It's not an emergency. I'm licensed." There would be practical uses, too. A prize bull or a champion egg-laying hen could be cloned, and the genetic characteristics that make the record-breaking aspects of the animal possible would be preserved without the chance of diminution by the interplay of genes obtained from a second parent. Nolan had shrugged, too, and dismissed her from his mind. But that night as he lay on his bed, We might even dream of finding a frozen mammoth with some cell nuclei not entirely dead. We might then clone one by way of an elephant's womb. If we could find a male and a female mammoth? "Not lately. And even when we were together, we never talked to each other, except to say practical things like 'When is your program going to be over?' Some people just aren't that interested in talking. Debra certainly isn't. That's why?" (He couldn't resist the chance to explain his earlier failures.) "I did so poorly on my earlier exams. Assuming I did get a low score last time, which isn't certain since the results were erased. But assuming that I did, that's the reason. I never got any practice. The basic day-to-day conversational experiences most people have with their spouses never happened in my case." "Is this just a morale session? Thanks, but I don't need it. It had been a mistake, he realized that now, but Darlene would never understand. Sitting there safe. The next moment it was Selene, wholly Selene, who stood there. She hurried across the room and knelt beside me. "Are you all right? You've got blood all over your head." "And you're telling me those little spikes are what poked holes in the dome bottom? I'm not buying that." He looked at the children. One wide-eyed little girl of eight years was kneeling at his feet. As his eyes. First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear? or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete1, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics\* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would

do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it: "You wouldn't believe me if I told you," said Amos, "for you are always saying you take no man's jabbering seriously."environment much like ours. And that's when we'll see the makers, when the stage is properly set." She."What I really wanted to talk to you about is this: You said you couldn't fly this ship. But you were.They reached what must have been the center of the maze and found the people everyone had given up on. Eighteen of them.
