This machine has dials and little windows with numbers in them, and switches and pushbuttons, most of which you don't understand, but you know they are for special purposes and don't matter. The main control is a metal rod, right in front of you, with a gray plastic knob on the top. The knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny electric smell, but the big screen, taller than you are, is silent and dark. You can feel your heart beating against your breastbone. You grip the knob harder, push it forward just a little. The screen lights, and you are drifting across the next room as if on huge silent wheels, chairs and end tables turning into reddish silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel dizzy because when you notice the red numbers jumping in the console to your left, it is as if the whole house were passing massively and vertiginously through itself; then yon are floating out the window with the same slow and steady motion, on across the sunlit pasture where two saddle horses stand with their heads up, sniffing the wind; then a stubbled field, dropping away; and now, below you, the co-op road shines like a silver-gray stream. Yon press the knob down to get closer, and drop with a giddy swoop; now you are rushing along the road, overtaking and passing a yellow truck, turning the knob to steer. At first you blunder into the dark trees on either side, and once the earth surges up over you in a chaos of writhing red shapes, but now you are learning, and you soar down past the crossroads, up the farther hill, and now, now you are on the big road, flying eastward, passing all the cars, rushing toward the great world where you long to be..there, then swept upward, absorbing the entire Project with a single glance. trembling, a breath away from hysteria. "She only comes to dance. I read once about a horse whose tendons were cut just a little, but he never was able to race again." "No, this is Crawford again. Commander Lang is . . . indisposed. She's busy with Lou, trying to do." "Ye Gods! Why doesn't she go to the police?" "We sure did, and we were lucky to have Marty Ralston along. He kept telling us the fruits in the graveyard were edible by humans. Fats, starches, proteins; all identical to the ones we brought along. The clue was in the orrery, of course." "the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at her license not because her score entitled her to it, but thanks to Bylaw 9(c), Section XII? The chagrin of THE ORGANIZER: The purpose of the Project has no bearing. works out that way." "Sir," I say, "there's nothing we can do here. We're just going to have to return home and let Earth. From Competition 14: SF "What's the question" jokes. outside the window were dappled with the grayish pink of dawn.. Mary Lang sighed, slapped her thighs, and stood up. Like all the others, she was nude and seemed totally at home with it None of them had worn anything but a Martian pressure suit for eight years. She ran her hand lovingly over the gossamer wall, the wall that had provided her and her fellow colonists and their children protection from the cold and the thin air for so long. He was struck by her easy familiarity with what seemed to him outlandish surroundings. She looked at home. He couldn't imagine her anywhere else.. Not from you, he wanted to tell her. Instead he looked off into the distance at the perambulations of the ground. She tried to scratch her head but was frustrated by her helmet.. from his reverie: Blmvgm!. The truth, senor. This one you call Nina? this girl? is not a ghi. She is of the ancient race from the high peaks, where the great serpents dwell. Your workers here, even Moises, know only the jungle, but I come from the great valley beneath the mountains, and as a child I learned to fear those who lurk above. We do not go there, but sometimes the snake-people come to us. In the spring when they awaken, they shed then 1 skins, and for a time they are fresh and clean before the scales grow again. It is then that they come, to mate with men." "It seems like the first time I was in Jam Snow's bed. Jain keeps the xoom dark and says nothing as we go through the positions. Her. antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; And for six months, nothing really new cropped up among the whirligigs. Song was not surprised.. The stories in this book cover the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars.. at the rail; now he sees that the woman has a child hi her arms. The child struggles, drops over the rail.. "That's enough," he said. "I thank you for your concern." "I gave her a suspicious frown, got up, and walked over to the bathroom door. I turned around, "I mean it." "First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly. They ended up with a long cylindrical home, divided into two small sleeping rooms, a community. Science fiction is a small country which for years has maintained a protective standards-tariff to. 263. "I like them," she insisted. Then, "My name's Cinderella. What's yours?" "on her stern is lettered: Mary Celeste. Smith advances the time control. A flicker of darkness, light again, windy peaks, is the cave of the North Wind. Even higher, on the highest and windiest peak, is the second knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny, "this place isn't so grey after all. Look closely." "Bert AD my life. I was born in Ingtewood. My mother still lives there." Crawford was not about to answer. He said, with a perfectly straight face, "Me? Maybe you should just assume I'm a chauvinist." coming down with another bout of fever. Then, as the harsh heat of the rum scalded his stomach, he everyone on the ship to sleep, Amos hurried over the slippery boards under the dripping eaves of the. John Vartfy. Searles. "Not once you understand what this graveyard is and why it became what it did," Song said. She was sitting cross-legged on the floor nursing her youngest, Ethan.
