The engineers had allowed for the wind. I'd.I say, "Sure."..Mine's Ed," said the occupant of the bentwood rocker, a young man of Barry's own age, build, and hair style.."You must return to your ship," they insist, "and obey the will of the Sreen."..I have a plan," said Amos..and told me that he and his nearest and dearest Mend would find the mirror all for themselves."..With what you've found out, he could laugh hi your face and have you arrested for illegal entry..First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction Is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear?or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naive1, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics' accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it:..Thanks." He got up to go..He looked around at the faces of the others and decided it wasn't the time to speak of rescue possibilities. He didn't relish being a leader. He was hoping Lang would recover soon and take the burden from him. In the meantime he had to get them started on something. He touched McKillian gently on the shoulder and motioned her to the lock.."I am Amos, and I am here to see what makes you so uninteresting that everyone tells me to avoid you and covers you up with blankets."..So. We have a thing here that eats plastic. And seems to be made of plastic, into the bargain. Any ideas why it

picked this particular spot to grow, and no other?".She considered the accusation. "I wouldn't choose her for a friend. I think she's insipid and gutless.."You have done very well," said the grey man pointing to the wall where he had hung the first two pieces of the mirror together. Now they could make out what the shape of the third would be. "And if you get the last one, you will have done very well indeed.."from her face.
