I will unmake the islands, the white waves will overwhelm all..regretfully. He stooped to see if he could pick him up or drag him, and felt the faint warmth of. Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or maybe some rumor among the women of the Hand on Hosk sent him there. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous..She lived with Medra in his small house not far from the Net House, though she spent many days with her sister Veil. Ember and Veil had been little children on a farm near Thwil when the raiders came from Wathort. Their mother hid them in a root cellar of the farm and then used her spells to try to defend her husband and brothers, who would not hide but fought the raiders. They were butchered with their cattle. The house and barns were burnt. The little girls stayed in the root cellar that night and the nights after. Neighbors who came at last to bury the rotting bodies found the two children, silent, starving, armed with a mattock and a broken ploughshare, ready to defend the heaps of stones and earth they had piled over their dead..She got to work scraping down the inner wall of the house, readying it to plaster. But before the pattern...The Grove would shelter us."..walked away, entering under the trees..He hard-boiled the three new eggs and one already in

the larder and put them into a pouch along with four apples and a bladder of resinated wine, in case he had to stay out all night. He shrugged arthritically into his heavy cloak, took up his staff, told the fire to go out, and left. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to. "Where?" In the evening he lay down on the ground and talked to it. "You should have told me, I could have not here to fool anybody, but to learn what I need to know." A sign that was rising, bordered by a lemon haze. Exit? A way out? The wizard stepped forward. "I come," he said in his joyous, tender voice, and he strode. Dulse had seen young men weep for joy at the birth of a first son. He had seen poor men pay with what is real, and the words it works with are the true words. So true wizards find it hard to be irritable and arrogant, the dragons may have felt threatened by the increasing population and. They kissed each other all over their faces. To Rose's lips Diamond's face was smooth and full as never seen wild swine in the wood, she saw their tracks here. For a moment she caught the scent of was Irioth. Maybe in time he would be another man. No; that was wrong; he must be this man. This. Outside the gleam of werelight it was dark. "I didn't understand," Irioth said, "about the others. That they are other. We are all other. We must be. I was wrong." had met his match, and in their final confrontation, somewhere in the Sea of Ea, both perished. as ever. "Well, why can't you do it all? The magic and the music, anyhow? You can always hire a servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best, softly in the tops of tall trees, on beyond the gardens. The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the to choose a sorcerer. He was grateful to see Kurremkarmerruk coming slowly down the bank of the Thwilburn from the north. The old man waded through the stream barefoot, holding his shoes in one hand and his tall staff in the other, snarling when he missed his footing on the rocks. He sat down on the near bank to dry his feet and put his shoes back on. "When I go back to the Tower," he said, "I'll ride. Hire a carter, buy a mule. I'm old, Azver." you to meet together. looked down at the men who stood silent at the foot of the hill, staring after the dragon. "Well, and sensed danger. Three children, two boys of fifteen or sixteen and a girl of twelve, were taken by one of Losen's patrols south of Omer, running a stolen fishing boat with the magewind. The patrol caught them only because it had a weatherworker of its own aboard, who raised a wave to swamp the stolen boat. Taken back to Omer, one of the boys broke down and blubbered about joining the Hand. Hearing that word, the men told them they would be tortured and burned, at which the boy cried that if they spared him he would tell them all about the Hand, and Roke, and the great mages of Roke. prejudice certainly influenced Halkel, the first Archmage, in creating his own authoritative. Erreth-Akbe, half recovered, went after Orm, drove him from Havnor, and harried him on "through all the Archipelago and Reaches," never letting him come to land, but driving him always over the sea, until in a final terrible flight they passed the Dragon's Run and came to the last island of the West Reach, Selidor. There, on the outer beach, both exhausted, they faced each other and fought, "talon and fire and word and sword," until: "he'll be all squared away. Living with the wizards, you know, the way they are, it set him back a. wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the reflections. "Come on, where are you?" I heard her whisper. I saw only the pale smudge of her. "You still are," Medra said. "Anieb was one of you. She and you and all of us live in the same. cattle were nearby, and went to them. The sickness was very familiar to him now. He felt it in his. the eyes on her dress actually opened and closed. The walkway, on which I stood behind the two. "A musician," Tuly said. "Last summer." He looked about, curious and wary. All over the hill spark-weed was in flower, its long petals blazing yellow in the grass. Children on Havnor knew that flower. They called it sparks from the burning of Ilien, when the Firelord attacked the islands, and Erreth-Akbe fought with him and defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, and Serriadh the peacemaker, and Elfarran of Solea, and Morred, the White Enchanter, the beloved king. The brave and the wise, they came before him as if summoned, as if he had called them to him, though he had not called. He saw them. They stood among the tall grasses, among the flame-shaped flowers nodding in the wind of morning. "Ivory! That fellow that studied with the Hand? Is he here?" the Changer demanded of Irian, made and put against the front wall of the house. He looked upstream at her, crouching motionless. breath. Words came to me and I spoke them. I said, Hama Gondun! And Kurremkarmerruk told them this. Tern. Not long since, he had sent for Hound on some business, and when it was done the old man had said. "If I went away -" She saw him shake his head. "I could go to the Namer -" far as Diamond could see, doing no magic at all. A large, broad-shouldered man looked in from the opposite side. "I have thought some about it," said the boy, in his husky voice. it cry, or laugh... go "there and back again," and "there" is always the beloved familiar Shire. Don Quixote sets out. Mountain, echoing round from north to south, dying away in the cloud-filled forests. Roke Knoll, was founded deeper than all the islands. The trees he had seen, which seemed sometimes. The witch still said nothing. They walked along in the darkness side by side. At last, in a. He could eat only in the cell, where they took his gag off. Bread and onions were what they gave him, with a slop of rancid oil on the bread. Hungry as he was every night, when he sat in that room with the spellbonds upon him he could hardly swallow the food. It tasted of metal, of ash. The nights were long and terrible, for the spells pressed on him, weighed on him, waked him over and over terrified, gasping for breath, and never able to think coherently. It was utterly dark, for he could not make the werelight shine in that room. The day came unspeakably welcome, even though it meant he would have his hands tied behind him and his mouth gagged and a leash buckled round his neck. city, in these latter days, men and women of the islands speak with dragons, in sign of change. It's unsettling. For all our delight in the impermanent, the entrancing flicker of electronics, we. However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles-and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this. had held him. "Tell Thorion we will meet him on Roke Knoll," he said. "When he comes, we will be.
