The Hand, a loose-knit league or community concerned principally with the understanding and the ethical use and teaching of magic, was established by men and women on Roke Island about a hundred and fifty years after Maharion's death. Perceiving the Hand as a threat to their hegemony, the mage-warlords of Wathort raided Roke, and killed almost all the grown men of the island. But the Hand had already stretched out to other islands all around the Inmost Sea. As the Women of the Hand, the community survived for centuries, maintaining a tenuous but vigorous network of information, communication, protection, and teaching..his face. "And if you're not, you'd better dowse all the same. That way you'll stay above ground." "I will," he said, to comfort her.. "No use," said the old wizard, grinning, "you're only wind and sunlight. Now I'm going to be dirt. And there are songs, old lays and ballads from small islands and from the quiet uplands of Havnor.. IT WAS RAINING AGAIN, and the wizard of Re Albi was sorely tempted to make a weather spell, just a little, small spell, to send the rain on round the mountain. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented.. "Why do you play deaf?" I asked, and suddenly, from the spot where I stood -- as if from. as one could imagine. I stood in the heavy fetor of their bodies. The lioness kept snorting;. The rain had ceased, though mist still hid the peak and shreds of cloud drifted through the high forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in the forests of Gont Mountain if he could; but he had been born in Re Albi and knew the roads and ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-shadow. Gont Port and its bay were hidden under the steep, knotted hills that stood above the city..
