And here, after having the soft fie of **Get without registration Outpost Purgatory Volume One**

of my brother's blood." "O father mine," answered the prince, "I have heard tell that in the land of Irak is a woman of the daughters of the kings, and her father is called King Ins ben Cais, lord of Baghdad; she is renowned for beauty and grace and brightness and perfection, and indeed many folk have sought her in marriage of the kings; but her soul consented not unto any one of them. Wherefore I am minded to travel to her, for that my heart cleaveth unto her, and I beseech thee suffer me to go to her." "O my son," answered his father, "thou knowest that I have none other than thyself of children and thou art the solace of mine eyes and the fruit of mine entrails; nay, I cannot brook to be parted from thee an instant and I purpose to set thee on the throne of the kingship and marry thee to one of the daughters of the kings, who shall be fairer than she." El Abbas gave ear to his father's word and dared not gainsay him; so he abode with him awhile, whilst the fire raged in his entrails..They gave not over drinking and carousing till the middle of the night, when the Khalif said to his host, "O my brother, hast thou in thy heart a wish thou wouldst have accomplished or a regret thou wouldst fain do away?" "By Allah," answered he, "there is no regret in my heart save that I am not gifted with dominion and the power of commandment and prohibition, so I might do what is in my mind!" Quoth the Khalif, "For God's sake, O my brother, tell me what is in thy mind!" And Aboulhusn said, "I would to God I might avenge myself on my neighbours, for that in my neighbourhood is a mosque and therein four sheikhs, who take it ill, whenas there cometh a guest to me, and vex me with talk and molest me in words and threaten me that they will complain of me to the Commander of the Faithful, and indeed they oppress me sore, and I crave of God the Most High one day's dominion, that I may beat each of them with four hundred lashes, as well as the Imam of the mosque, and parade them about the city of Baghdad and let call before them, 'This is the reward and the least of the reward of whoso exceedeth [in talk] and spiteth the folk and troubleth on them their joys.' This is what I wish and no more." As for the vizier, the sultan discovereth unto him his affairs, private and public; and know, O king, that the similitude of thee with the people is that of the physician with the sick man; and the condition (169) of the vizier is that he be truthful in his sayings, trustworthy in all his relations, abounding in compassion for the folk and in tender solicitude over them. Indeed, it is said, O king, that good troops (170) are like the druggist; if his perfumes reach thee not, thou still smellst the sweet scent of them; and ill troops are like the black-smith; if his sparks burn thee not, thou smellst his nauseous smell. So it behoveth thee take unto thyself a virtuous vizier, a man of good counsel, even as thou takest unto thee a wife displayed before thy face, for that thou hast need of the man's righteousness for thine own amendment, (171) seeing that, if thou do righteously, the commons will do likewise, and if thou do evil, they also will do evil." When the vizier returned to the king, the latter sought of him the story of the man whose caution slew him and he said, "Know, O august king, that.117. The Favourite and her Lover M. When the king heard this, his mind was occupied [with the story he had heard and that which the vizier promised him], and he bade the latter depart to his own house..? ? ? ? k. The Vizier's Son and the Bathkeeper's Wife dccccxxxviii. As for his mother, Shah Khatoun, great was her longing for her son and she [still] thought of him and news of him was cut off from her, wherefore her life was troubled and she forsook sleep and could not make mention of him before King Caesar her husband. Now she had an eunuch who had come with her from the court of her uncle King Suleiman Shah, and he was intelligent, quickwitted, a man of good counsel. So she took him apart one day and said to him, 'Thou hast been my servant from my childhood to this day; canst thou not therefore avail to get me news of my son, for that I cannot speak of his matter?' 'O my lady,' answered he, 'this is an affair that thou hast concealed from the first, and were thy son here, it would not be possible for thee to harbour him, lest thine honour fall into suspicion with the king; for they would never credit thee, since the news hath been spread abroad that thy son was slain by his uncle.' Quoth she, 'The case is even as thou sayst and thou speakest truly; but, provided I know that my son is alive, let him be in these parts pasturing sheep and let me not see him nor he me.' And he said to her, 'How shall we contrive in this affair?' 'Here are my treasures and my wealth,' answered she. 'Take all thou wilt and bring me my son or else news of him.'? ? ? ? And dromedaries, too, of price and goodly steeds and swift Of many a noble breed, yet found no favour in my eyne!"
