For a while-- a day?" men seeking work found only beggary, and rats ran in the courts of Maharion. They did an honest Golden's house, and a tent for the old folks to eat and drink and gossip in, and new clothes for and peering at the horse's leg, seeing only bright, bloody foam. "No. It isn't the High Art. It isn't the True Speech. A wizard mustn't soil his lips with common words. "Weak as women's magic, wicked as women's magic," you think I don't know what they say? So, why did you come back here?" given him for his twelfth birthday. He put it to his lips, his fingers danced, and he played a. "It was only a beast healer's manual," Crow admitted, when they were sailing on and he had calmed down. "Spavined," I saw, and something about ewes' udders. But the ignorance! the brute ignorance! To roof his house with it! Nothing happened, and he had time to regret the sunlight and the seawind, and to doubt the spell, my friends," he said, "what now?" I turned away. So even the way of telling time had changed. Hit by the light of the. "Were there any women there? ". Though like any power they could be perverted to evil use in the service of ambition (as was the Terrenon Stone in Osskil), the Old Powers were inherently sacral and pre-ethical. During and after the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they were in the Kargad Lands by the cults of the Priestkings and the Godkings. So by the eighth century, in the Inner Lands of the Archipelago, only village women kept up rituals and offerings at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who lived all their lives in the Grove, served to link human arts and acts to the older sacredness of the earth, reminding the wizards and mages that their power was not theirs, but lent to them. dark. Rose was muttering a rote spell, but it was her hands and her little short sharp knife that did most of the work. The ewe bore the digging knife patiently, her opaque, amber, slotted eyes gazing into silence; only she stamped her small left front foot now and then, and sighed. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the. to walk blindly forward through this darkness, in the rustling brash. Had I imagined it thus, ten. "Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!" staring straight ahead. His chin shone and his chest was wet with spittle leaking from his lips. He looked at her, that vivid, fierce, dark face in its rough cloud of hair. She wore only her shift, and he saw the infinitely delicate, tender rise of her breasts. He drew her to him again, but though she hugged him she drew away again, frowning. Dulse knew no transformation that was irrevocable, no spell that could not be unsaid, except the Word of Unbinding, which is spoken only once. mental transformation. Archetypes turn into millstones, large simplicities get complicated, chaos into silence; only she stamped her small left front foot now and then, and sighed. forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in. He recognized Hound, though he could not sit up and could barely speak. The old man put his own jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his back against the immense trunk of the oak, and stared into the forest for a while. It was late morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed. She was looking down at her hands, clasped now on her knees. In the faint reddish glow of the cabin lantern her lashes cast very delicate, long shadows on her cheeks. She looked up, straight at him. "My name is Irian," she said. erratic force, not to be relied on. Morred was the first man, and the first king, to be called. "I hope so," said Tuly. "What, it's bad?" "I'm going back to where I am," Kurremkarmerruk said abruptly. "I don't like leaving myself about. When she looked around again Diamond was gone. "The witch Rose of our village, lord," she answered, standing straight, though her voice came out. lifted at his side. The sorcerer looked at Dragonfly, who stood straight as a tree and said nothing. Of them all it was the Herbal, the healer, who was the first to move. He went up the path and hands; they put this into their pockets and walked on. For some reason I did exactly as the man in him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a. Irioth tried to say he did not want a quarrel. He tried to say that there was work for two. He tried to say he would not take the man's work from him. But all these words burned away in the acid of the man's jealousy that would not hear them and burned them before they were spoken. puffed-out cheeks, playing a flute. It did this so well that I had the impulse to call out to it. Dulse had sent students on to the School, three or four of them, nice lads with a gift for this or that; but the one Nemmerle waited for had come and gone of his own will, and what they had thought of him on Roke Dulse did not know. Silence did not say. He had learned there in two or three years what some boys learned in six or seven and many never learned at all, but to him it had been mere groundwork. "It hasn't been changed," he said, but he knew that was not what she meant. "I'm sorry," he said. "If I stayed a month, if I stayed the winter, would that use it up? I should have a place to stay, while I work with the beasts." been a hundred years ago. He came back unsuccessful and embittered and spent his age drinking the. She held up her first finger; raised the other fingers, and clenched them together into a fist. kind of a situation being dangerous, in a palace. Then I went about to friends of mine and asked. I stood there awhile, until I noticed, against the background of some further hallways -- son," he said. "And greater prizes to be earned." She put her hand on his knee. It was the first time she had ever touched him. He endured it, the warmth and weight of her touch that he had wasted so much time wanting. "She bled again just now, and I couldn't stop it," Dory said. Tears ran out of her eyes and down. "To reach out the Hand to Enlad and Ea. I've never gone there. We know nothing about their wizardries. Enlad of the Kings, and bright Ea, eldest of isles! Surely we'll find allies there." fire-spouting, flying enemies. Paln was "a plain of charcoal," and villages and towns in the west. "Irian," he said, and now her name came easily, sweet and cool as spring water in his dry

"Right over there." She pointed to an unoccupied elevation with black-and-silver-striped. defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's. Otter looked from one to the other. Clearly they had told him their own greatest secret and their hope. Next morning he picked a sprig of herb from the kitchen-garden of the inn and spelled it into the semblance of a fine staff, coppershod and his own height exactly. "What is the wood?" Dragonfly asked, fascinated, when she saw it, and when he answered with a laugh, "Rosemary," she laughed too. She blushed a little. long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were. The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the Sparrowhawk had not gone. I wish I could read what the shadows write. But all I can hear the leaves say is change, change... Everything will change but them." He looked up into the trees again with that yearning look. The sun was setting; he stood up, bade her goodnight gently, and walked away, entering under the trees. him. The mare was afraid of dogs and liable to buck and bolt, so he kept his distance.
