I've read about them all my life, in pulp magazines and paperbacks. But Perri ... she was the real thing. She didn't save tens of thousands-hundreds of thousands of children like you've done, didn't change the world as you've changed it, but she faced every day without complaint, and she lived for others. Not through them. For them. People called her to share their problem, and she listened and cared, and they called her with their good news because she took such joy in it. Within half an hour, these three sounded as if they were of one age, inseparable since childhood. He had not seen Grace or Celestina free of despair since the reverend's murder, but here they were able for the first time to veil their anguish in the bustle of baking and the pleasure of making a new friend...Junior realized that killing Renee this very night would be an unthinkable waste. Instead, he could marry her first, enjoy her for a while, and eventually arrange an accident or suicide that left him with all-or at least a significant portion of her assets..And the mills of capitalism provide them.
