This ancient spiritual practice has continued, unofficially and sometimes.When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage.."I was new at the business of being Archmage then. And younger than the man we fought, and maybe not afraid enough of him. It was all the two of us could do to hold our own against him, there in the silence, in the cell in the tower. Nobody else knew what was going on. We fought. A long time we fought. And then it was over. He broke. Like a stick breaking. He was broken. But he fled away. The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't have the strength in me to stop the man when he fled, nor the wits to send anyone after him. And not a shred of power left in me to follow him with. So he got away from Roke. Clean gone.."Oh, are you a teller? Oh, why didn't you say so to begin with! Is that what you are then? I wondered, it being winter and all, and you being on the roads. But with that horse, I thought you must be a merchant. Can you tell me a story? It would be the joy of my life, and the longer the better! But drink your soup first, and let me sit down to hear..."Ivory went, limping only very slightly, to an old mounting-block nearby and sat down on it. He stretched his leg, nursing the torn place, and looked up at the woman. "It would take a long time to tell you what Roke is like," he said. "But it would be my pleasure"..Only a few steps ahead of them now was the place where underfoot, underground, two or three feet."Sparrowhawk loved him. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently..spell-protected. Well, no, twenty years ago it must be, or twenty-five. A while ago now. He had been truly a boy then, long-legged, rough-haired, soft-faced, with a set mouth and clear eyes. "What do you want?" the wizard had asked, knowing what he wanted, what they all wanted, and keeping his eyes from those clear eyes. He was a good teacher, the best on Gont, he knew that. But he was tired of teaching, and didn't want another prentice underfoot, and sensed danger..you wonder he was a little rageous? But I don't say..." She checked herself and then went on, "I.spirits of the dead; many, many of them. He
