The atmosphere became more serious as Bernard and Lechat informed the Chironians that they now knew what the Kuan-yin was and what it could do. "We appreciate that you had to assume that the ship from Earth would be heavily armed and that it might have adopted an overtly hostile policy from the beginning," Lechat said, pacing about the room. "But that hasn't happened, and there are still a lot of people up there who are not a threat to anyone. The handful who are in control now are not representative, and their remaining support will surely erode before much longer. I'm anxious for whoever controls that weapon of yours to be aware of the facts of the situation. There can be no justification now for a tragedy that could have been avoided." cotillion. Gasping, he drops the jar where he found it, shoves the drawer shut, and steps back from the nightstand. Leilani pretended puzzlement. "Stop what?" evening. She must have left before it happened." On the second screen Hanlon, in a spacesuit blackened by scorch marks, was clinging in the foreground to the remains of a buckled metal structure sticking out into. "Right. The other-yes, question?" Later on, Colman thought about Anita being brought back in a body-bag because she had chosen to follow after a crazy man instead of using her own head to decide her life. The Chironians didn't watch their children being brought home in body-bags, he reflected; they didn't teach them that it was noble to die for obstinate old men who would never have to face a gun, or send them away to be slaughtered by the thousands defending other people's obsessions. The Chironians didn't fight that way. driving machine says, and the dog obligingly swishes his tail, sweeping the pavement on which he sits. waited neither a lady nor a tiger, but an altogether unique specimen. He spread his hands above his knees. "It's not exactly that kind of trouble Fm bothered about. But if this goes further than that . . . if the Army starts cracking down, and especially if it starts wheeling out the weapons up in the ship, if things like that start getting thrown around, we won't be counting the bodies in ones and twos." Depression passed, too. Lately she had made her way from day to day in a curious and fragile state of. Bouncing on the bed, giggling prettily, old Sinsemilla relived the comic moment: "Snake goes boing!. battlements. door. The faithful dog stays at his side. Another flash of stars and they were in Idaho, one of the two fixed modules that carried the main support arms to the Spindle. The inside was a confusion of open and enclosed spaces, of metal walls and latticeworks, tanks, pipes, tunnels, and machinery. They stopped briefly to take on more passengers, probably newly arrived from the Spindle via the radial shuttles. Then the capsule moved away again. Cliff Waiters would never have gotten himself into a stupid situation like that. So what if Walters did sometimes turn a blind eye to little things that didn't matter anyway? Walters was a lot smarter when it came to the things that did matter. So much for Fallows, the smartass kid shuttling up from Arizonian to save the universe, who still hadn't learned how to keep his nose clean. Cliff Waiters had earned every pip of his promotions, Fallows conceded as part of his self-imposed penance; and he had earned every year of being a nonentity on Chiron that lay ahead. Someday, maybe, he'd learn to listen to Jean. toward Geneva's. She resisted the urge. She knew they were still watching her, but a cheery wave.
