Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on.. his officers rushed up around him, and managed not to stammer. "Are you well? Is there anything we can." Haven't you done enough?" I sighed. "When I called you, I didn't mean for you to push her like that.. Nolan turned and glanced at the girl who lay beside him. She stared up through the shadows with slitted eyes unblinking above high cheekbones, her thin brown body relaxed and immobile.
