"That guy over there's signaling for a waitress." starship bridge has been violated. He might be eleven or even twelve, but he's somewhat small for his. "She's been blue all day," said Wendy Quail. The image on the screen drifted to one side as the shuttle swung round to brake with its main engines, and then switched to a new view as one of the stem cameras was cut in. Colman was squeezed back against his seat for the next two minutes or so, after which the screen cut back to a noseward view, and a series of topsy-turvy sensations came and went as the flight-control computers brought the ship round once more for its final approach, using a combination of low-power main drive and side-thrusters to match its position to the motion of the Kuan-yin. After some minor corrections the shuttle was rotating with the Kuan-yin to give its occupants the feeling that they were lying on their backs, and nudging itself gently forward and upward to complete the maneuver. "I see." Sterm studied her face for what seemed like a long time. At last he asked in a strangely curious voice, "And if I did, what then, Celia?" "There's no need to look," Driscoll told him nonchalantly. "You've got a pair of kings." Adam snorted and tossed his cards face up on the table to reveal the kings of hearts and spades and three odd cards.. "I bet he did," Marie declared.. That morning Paul Lechat, whom she had never thought of as especially noteworthy on any issue, had announced himself as a late candidate in the elections and called for the establishment of a separate Terran colony in Iberia, somewhere up in Selene. He wanted to allow the people from Earth to pursue their own pattern of living without disruptive influences for the immediate future, and possibly to make such an institution permanent if it suited enough people to do so. To Jean the announcement had come as a godsend, and to many others as well, if the amount of popular support that had materialized from all sides within a matter of hours was anything to go by. Why couldn't everybody see it that way? she wondered. It was so obvious. Why were there always some who were obstinate and valued political interests before what common sense said would be for the common good, such as Kalens, who even now was reacting to Lechat as a threat and rallying his own followers to action?. A crash rocks the room, rattles cookware. Someone slamming through the swinging door from the.. "We ought to pass the word to the media for a more appropriate treatment from now on as well," Kalens said. "Perhaps playing up things like Chironian stubbornness and irresponsibility would harden up the public image a bit... just in case. We could get them to add a mention or two of signs that the Chironians might have armed themselves and the need to take precautions. It could always be dismissed later as overzealous reporting. Should I whisper in Lewis's ear about it?" Why does man kill? He kills for food. And not only food: frequently, there must be a beverage.. Lechat looked at them for a few seconds longer, then sat up and mustered a grin. "Well, what can I say? Good luck.. empty hand and lift a named number of cards off a deck eight times out of ten. Swley had been his guinea pig, for he had discovered that if Swley couldn't spot a false move, nobody could, and in the years since, he had perfected his technique to the degree that Swley now owed him \$1,343,859.20, including interest.. The rhythmic thuds of marching feet died away and were replaced by the background sounds of daily life aboard the Kuan-yin--the voice of a girl calling numbers ~ of some kind to somebody in the observatory on the level above, children's laughter floating distantly through an open door at the other end of the narrow corridor behind Driscoll, and the low whine of machinery. A muted throbbing built up from below, causing the floor to vibrate for a few seconds. Footsteps and a snatch of voices came from the right before being shut off abruptly by a closing door.. "Bernard," Kath said quietly from the console screen.. half a mile ahead, at the top of a rise, traffic has come to a complete stop.. She goes.. "He will. He doesn't like people much, unless they're dead. He isn't likely to chat you up across the.. Hammond place.. Perhaps peace came only with acceptance..
