For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me? As the four of us stood there staring at him, he raised his eyes still higher, and their blackness seemed to intensify, to throw forth fire. It was the briefest of illusions, for a moment later he turned, climbed back into his palanquin and clapped his hands. We stared after it as the four black bearers bore it away.
