She slid her guarded dessert, untouched, in front of Leilani..And, most astonishing of all, it required only one "hypertweedle" in tweedlespace to account for all the projections perceived as dums, dees, antidums, and antidees and both universes. A universe

provided, in effect, a screen upon which the same projections were repeated over and over again as a consequence of the separation of the space and time dimensions of the screen itself, which of course was why every dum was the same as every other dum, and every dee the same as every other dee. It was as if a typewriter created paper as it typed on, leaving the planar inhabitants of the flat universe that it had brought into being to ponder why all the characters encountered serially in their own "flat-time" should have exactly the same form..As Chaurez finished speaking, an indicator announced an incoming call from the Government Center.
